Hi, Peter Kirk students! This is your last set of music activities for the school year. And this is my last official communication with you all. As many of you know, I am retiring. I am excited and I am sad. I will miss you all very much. You have been so wonderful to teach and to know! I will always remember you. Keep singing, keep playing, keep dancing, keep making music! Have a great summer.

Love, Ms. Peterson
